

## **Guidelines for Camp Scholarship Florida District Church of the Nazarene**

1. All applications must be submitted by Youth Leader or Pastor by May 22, 2018 for consideration.
2. Scholarships are being provided so that families who cannot afford to send their students to camp will have that opportunity.
3. It is the intention to limit scholarships to one per church. That of course will be evaluated based on a need by need basis and funds available.
4. The scholarships may be awarded in full or in partial funding.
5. We are asking for Youth Leaders and Pastors to determine the need for an individual and give recommendation based on that need.
6. All scholarships will be awarded based on the need of the individual and recommendation of the Pastor. The final decision will be made by NYI Council.
7. The Youth Leader/Pastor submitting the request will be notified via email of the decision of award by the NYI Council.
